### **CITIZEN PETITION**

Dear Sir/Madam,

The undersigned submits this Citizen Petition electronically under Section 505(j) of the Federal Food, Drug, and Cosmetic Act and 21 CFR 10.25(a), 10.30 and 21 CFR parts 314.122 and 314.161, requesting the Commissioner of the Food and Drug Administration to provide a determination whether the listed drug product has been withdrawn for safety or effectiveness reasons.

#### **A. Action Requested**

Aurobindo Pharma Limited requests the Food and Drug Administration (FDA) to determine whether **Lotensin**<sup>®</sup> (benazepril hydrochloride, USP) 5 mg tablets; **NDA 019851** of VALIDUS PHARMACEUTICALS LLC has been voluntarily withdrawn from sale for safety or efficacy reasons.

#### **B. Statement of Grounds**

The Food and Drug Administration maintains a list of drug products, which are eligible for submission as Abbreviated New Drug Applications (ANDAs) in the *Approved Drug Products with Therapeutic Equivalence Evaluations*, referred to as the *Orange Book*). It contains all FDA approved drug products. **Lotensin**<sup>®</sup> (benazepril hydrochloride, USP) 5 mg tablets; **NDA 019851** of VALIDUS PHARMACEUTICALS LLC was considered as “listed drug product” in the orange book. **Lotensin**<sup>®</sup> (benazepril hydrochloride, USP) 5 mg tablets; **NDA 019851** of VALIDUS PHARMACEUTICALS LLC now appears in the discontinued section of the Orange Book (enclosed as *Annexure-I*).

Under FDA regulation, drugs are withdrawn from the list if the Agency withdraws or suspends approval of the drug product's application for reasons of safety or effectiveness, or if the FDA determines that the listed drug was withdrawn or withheld from sale for reasons of safety or effectiveness (21 CFR 314.162). The regulation also provides that the Agency must

**AUROBINDO PHARMA USA, Inc.**

make a determination as to whether a listed drug is withdrawn from sale for reasons of safety or effectiveness before an ANDA that refers to that listed drug may be approved (21 CFR 314.161(a)(1)). Because the product appears in the discontinued section of the Orange Book, it is requested that FDA determine whether VALIDUS PHARMACEUTICALS LLC decision to discontinue marketing of **Lotensin®** (benazepril hydrochloride, USP) 5 mg tablets; **NDA 019851** of VALIDUS PHARMACEUTICALS LLC was for reasons of safety or effectiveness.

### **C. Environmental Impact**

A claim for categorical exclusion of the requirements for an environmental assessment is made pursuant to 21 C.F.R. 25.31(a) and 25.15(d).

### **D. Economic Impact Statement**

Pursuant to 21 C.F.R. 10.30(b), economic impact information is submitted only when requested by the Commissioner. This information will be promptly provided, if so requested.

### **E. Certification**

The undersigned certifies that, to the best knowledge and belief of the undersigned, this petition includes all information and views on which the petition relies, and that it includes representative data and information known to the petitioner which is unfavorable to the petition.

Sincerely yours,

**Blessy Johns**
