Re: North American Olive Oil Association Citizen Petition Withdrawal
Docket ID FDA-2020-P-1423

Dear Sir or Madam:

The North American Olive Oil Association (NAOOA) hereby withdraws the referenced citizen petition (Docket ID FDA-2020-P-1423), which requested FDA promulgate a standard of identity for olive oils and olive-pomace oils, and was originally filed May 26, 2020.

NAOOA looks forward to continuing to engage with FDA on this important topic through the citizen petition filed jointly by NAOOA, the American Olive Oil Producers Association and Deoleo on July 6, 2022.

Please let me know if you have any questions.

Respectfully submitted,

Joseph R. Profaci
Executive Director
