Citizen Petition: 2006P0307/CP1

Dear Ms. Carolyn Kachovec

I, Sapna Lohiya, would like to withdraw my supplement to Petition 2006P0307/CP1 dated September 27, 2007. In doing so, I hope that you will recommence work on my original petition. I am very passionate about this amendment, which calls for the standardization of expiration dates on medicine containers. Thank you very much!

With best regards,

Sapna Lohiya
