Re: Docket No. FDA-2020-P-1297

Dear Mr. DiNardo:

I am writing to inform you that the Food and Drug Administration (FDA) has not yet resolved the issues raised in your citizen petition received on April 16, 2020. Your petition requests that the Agency take a number of actions in connection with the recent passage of the Coronavirus Aid, Relief, and Economic Security Act<sup>1</sup> and focuses, in particular, on that law's impact on sunscreen products with high sun protection factor (SPF) values (Petition at 1-2).

FDA has been unable to reach a decision on your petition due to the need to address other Agency priorities. This interim response is provided in accordance with FDA regulations on citizen petitions (21 CFR 10.30(e)(2)). We will respond to your petition as soon as possible given the numerous demands on the Agency's resources.

Sincerely,

Carol Bennett -S
