Subject: Barley betafiber health claim petition

3042 7 JUL 12 P2:08

Dear Dr. Kevala and Dr. Hoadley,

As we discussed in our phone conversation today: I agree, on behalf of Cargill, to an extension of the publication time for a ruling on our health claim petition for barley betafiber (beta-glucan soluble fiber) until December 7, 2007.

Thank you for your consideration of the petition and for keeping me informed as to the expected timing.

Sincerely,

Lore Kolberg
