Re: Docket FDA-2019-P-6045

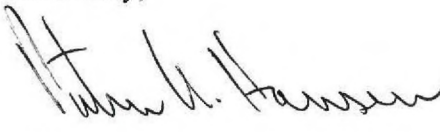

Dear Mr. Carvajal:

This letter is in response to your citizen petition (FDA-2019-P-6045) received on December 20, 2019, submitted on behalf of Wacker Chemical Corporation. In the citizen petition you requested that the Food and Drug Administration amend 21 C.F.R. §101.9(c)(6)(i) to recognize that alpha-cyclodextrin qualifies as dietary fiber for purposes of nutrition labeling.

In accordance with Title 21 of the *Code of Federal Regulations*, section 21 CFR 10.30(e)(2), this letter is to advise you that we have not been able to reach a decision on your petition within the first 180 days of its receipt because of other agency priorities and the limited availability of resources. When we complete our review of your petition, we will notify you of our decision.

Please let us know if you have any questions.

Sincerely,
