Dear Petitioner:

Your petition to the Commissioner of Food and Drug Administration requesting the FDA to amend subparagraph (c)(6) in 21 CFR §101.9 to permit the use of an accurate “quantitation and summation of sugars” approach as an approved method for calculating total carbohydrate content in wine and wine-based beverages, henceforth referred to as “wine” was received by this office on 06/08/2020.

It was assigned docket number FDA-2020-P-1523. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Dynna Bigby
