**Re: Request to Withdraw Suitability Petition for Fluorescein Strips dated April 18, 2013
(docket number FDA-2013-P-0505/CP1).**

Dear Sir or Madam,

In response to FDA's recommendation, Nomax, Inc. requests that the suitability petition for Fluorescein Strips, dated April 18, 2013, be withdrawn. The Agency advised that the reference listed drug cited in this suitability petition, Fluorescein Injection, differs with respect to clinical use indication from Fluorescein strips and therefore a suitability petition is not applicable.

If you have any questions, comments or further recommendations regarding this request, please contact me at (314) 815-5187.

Sincerely,

Amanda Dixon
Director of Regulatory Affairs and Quality
