Dear Ms. Russell:

Your petition requesting the Food and Drug Administration to declare an abbreviated new drug application may be submitted for potassium chloride oral solution drug products in strengths of 10% (15mL equals 20 mEq of potassium chloride) and 5% (15mL equals 10 mEq of potassium chloride), was received by this office on 11/27/2006. It was assigned docket number 2006P-0477/CP 1 and it was filed on 11/28/2006. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Lyle D. Jaffe
