Dear Mr. Schwemer:

Your petition to the Food and Drug Administration requesting the Agency to revise and reissue FDA compliance policy guide (CPG) 400.400 and to consider rulemakings that would clearly set forth the criteria for bringing Homeopathic drugs to market, and the marketing of such drugs, in accordance with procedures established by the FDA, was received by this office on 10/24/2013. It was assigned docket number FDA-2013-P-1378/CP1, and it was filed on 11/18/2013. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Karen Kennard  
Director  
Division of Dockets Management  
FDA/Office of the Executive Secretariat (OES)
