Dear Petitioners:

Your petition to the Commissioner of Food and Drug Administration requesting to determine that Cefazolin for Injection USP, 2 g vial – administered via intramuscular injection, intravenous direct (bolus) injection, and intravenous infusion is suitable for submission in an Abbreviated New Drug Application was received by this office on 09/17/2019.

It was assigned docket number FDA-2019-P-4363. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Dynna Bigby
