Dear Mr. McAfee:

On June 5, 2013, this office received a new citizen petition from you, in which you request that the Food and Drug Administration take administrative action in the form of modifying its denial of your previously filed citizen petition FDA-2009-P-0003 to allow for interstate delivery or sale or distribution of raw milk and raw dairy products in certain circumstances.

Your new citizen petition was assigned docket number FDA-2013-P-0701/CP1, and it was filed on 06/05/2013. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

A handwritten signature in cursive script, reading "Gloria Ortega", is positioned above the typed name.
