Re: Docket #s 2006P – 0394 & 2007P – 0235

To whom it may concern,

As a consumer, I strongly support the petition requesting regulation of egg carton labeling (*Docket # 2006P – 0394 & Docket # 2007P – 0235: Change Labeling Requirements for Eggs Sold in the U.S.*).

Requiring egg producers to fully disclose the production method on cartons is necessary to protect consumers from a range of confusing claims and imagery relating to animal welfare.

Thank you for your attention to this important matter. I look forward to your reply.

Sincerely,
