

approves the petition, it may be published in the Federal Register. Your petition could eventually be incorporated into Agency policy. An example showing how to prepare a citizen's petition follows:

Petition Content and Format

(Date) SEPT 4 / 2006

Dockets Management Branch, Food and Drug Administration, Department of Health and Human Services, Room 1-23, 12420 Parklawn Dr., Rockville, MD 20857.

CITIZEN PETITION

The undersigned submits this petition under LABORATORY (relevant statutory sections, if known) of the FRAUD Federal Food, Drug, and Cosmetic Act, the Public Health Service Act, or any other statutory provision for which authority has been delegated to the Commissioner of Food and Drugs (under 21 CFR, Part 5.10) to request the Commissioner of Food and Drugs to _____ (issue, amend, or revoke a regulation or order to take or refrain from taking any other form of administrative action).

A. ACTION REQUESTED

1. If the petition requests the Commissioner to issue, amend or revoke a regulation, give the exact wording of the existing regulation (if any) and the proposed regulation or amendment requested.
2. If the petition requests the Commissioner to issue, amend or revoke an order, include a copy of

2006P-0376

CP 1

the exact wording of the citation to the existing order (if any) and the exact wording requested for the proposed order.

3. If the petition requests the Commissioner to take or refrain from taking any other form of administrative action, state the specific action or relief requested.

B. STATEMENT OF GROUNDS

A full statement, in a well organized format, of the factual and legal grounds on which the petitioner relies, including all relevant information and views on which the petitioner relies, as well as representative information known to the petitioner which is unfavorable to the petitioner's position.

C. ENVIRONMENTAL IMPACT STATEMENT

Give an environmental impact analysis report in the manner specified in 21 CFR 25.42. (Claim for categorical exclusion under 21 CFR 25.30, 25.31, 25.32, 25.33, or 25.34 or an environmental assessment under Sec. 25.40 of this chapter.)

D. ECONOMIC IMPACT STATEMENT

The following information is to be submitted only when requested by the Commissioner following review of the petition: a statement of the effect of the requested action on 1) cost (and price) increases to industry, government, and consumers; 2) productivity of wage earners, businesses, or government; 3) competition; 4) supplies of important materials, products, or services; 5) employment; and 6) energy supply or demand.

E. CERTIFICATION

ACU-GENDER
BIOLABS

BLOOD TEST
IS FRAUDULENT
CLAIM OF
ACCURATE
GENDER
"PREDICTION".

I HAVE PROOF
OF MY FIRST
KNOWN CASE
WHERE THE
BLOOD DNA TEST
REPORTED MALE
99.9% ACCURATE
BUT THE FETUS
EXTERNAL GENITALIA
IS FEMALE!

Jacques M.D.
FACOG

The undersigned certifies that, to the best knowledge and belief of the undersigned, this petition includes all information and views on which the petition relies, and that it includes representative data and information known to the petitioner which are unfavorable to the petition.
