Dear Mr. Bennett:

Your petition to the Food and Drug Administration on behalf of Medical Information Working Group (MIWG) requesting the Agency to respond fully and in a constitutionally permissible manner to the four specific requests set forth in the July 2011 Citizen Petition, was received by this office on 09/03/2013. It was assigned docket number FDA-2013-P-1079/CP1, and it was filed on 09/03/2013. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

A handwritten signature in cursive script, reading "Karen Kennard", is positioned above the typed name.
