Re: Docket No. FDA-2020-P-1875

Dear Dr. Thomas:

This letter is in response to your citizen petition (FDA-2020-P-1875) received on November 20, 2020, in which you requested the Food and Drug Administration amend Title 21 of the Code of Federal Regulations (21 CFR) § 101.9(c)(6)(i) Nutrition Labeling of Food to include Isomaltodextrin as Dietary fiber under the Resistant Maltodextrin category in the Nutrition Facts label on foods and beverages and dietary supplements.

In accordance with 21 CFR §10.30(e)(2), this letter is to advise you that we have not been able to reach a decision on your petition within the first 180 days of its receipt because of other agency priorities and the limited availability of resources. When we complete our review of your petition, we will notify you of our decision.

Please let us know if you have any questions.

Sincerely,

Claudine Kavanaugh, Ph.D., MPH, RD  
Director  
Office of Nutrition  
and Food Labeling  
Center for Food Safety  
and Applied Nutrition
