Dear Mr. Mayer:

Your petition to the Food and Drug Administration requesting the Agency to issue a Federal Regulation to augment FDA citizen's petition for public hearings to establish standards on cellphone radiation adverse health effects that might be caused by specific absorption rates and radio frequency radiation/electromagnetic frequency, was received by this office on 10/17/2013. It was assigned docket number FDA-2013-P-1374/CP1, and it was filed on 11/20/2013. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

A handwritten signature in cursive script, reading "Karen Kennard", is positioned above the typed name.
