Dear Petitioner(s):

Your petition to the Food and Drug Administration requesting the Agency to refrain from implementing the FDA's neonatal opioid withdrawal syndrome (NOWS)-related labeling changes for extended-release and long-acting (ER/LA) opioid analgesics as announced on September 10, 2013, was received by this office on 10/17/2013. It was assigned docket number FDA-2013-P-1289/CP1, and it was filed on 10/24/2013. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,
