Dear Sir or Madame,

The requests within the Citizen Petition submitted on behalf of Informed Consent Action Network (“ICAN”) on September 10, 2020 at Docket No. FDA-2020-P-1871 regarding study design for the Phase III trials of AZD1222 and ChAdOx1 nCoV-19 are now included in the Amended Citizen Petition subsequently submitted on October 16, 2020 at Docket No. 2020-P-1768. We therefore write to withdraw the petition submitted on September 10, 2020 at Docket No. FDA-2020-P-1871.

ICAN looks forward to receiving a timely decision on Docket No. 2020-P-1768 and, as counsel to the petitioners, remain available to answer questions and provide any relevant additional information.

Very truly yours,

/s/ Aaron Siri
