**Re: Withdrawal of Emergency Request to Open Blood Products Advisory
Committee Meeting on Friday, July 14, 2006**

No. 2006P-0280-CP1

Dear Ms. Swisher:

On July 12, 2006, I filed a citizen petition on behalf of Dr. Sidney M. Wolfe regarding the FDA's Blood Products Advisory Committee unlawful plan to close its July 14, 2006 meeting to the public. By this letter, Dr. Wolfe withdraws that petition.

Sincerely,

Brian Wolfman
Attorney for Dr. Sidney M. Wolfe
