Dear Petitioner:

Your submission requesting that the Commissioner of Food and Drug revoke or suspend the FDA's emergency use authorization of the COVID-19 vaccines for young children so the FDA can properly consider the potential risks and rewards in injecting young children with experimental pharmaceuticals was received and processed under CFR 10.30 by this office on 07/07/2022.

It was assigned docket number FDA-2022-P-1471. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note, the acceptance of the petition for filing is a procedural matter and in no way reflects the Agency's decision on the substantive merits of the petition.

Sincerely,

Karen Malvin  
Acting Director  
Dockets Management Staff  
FDA/Office of Operations (OO)
