Subject: Closing of Citizen Petition - Docket No. FDA-2006-P-0208

This memo documents the steps taken by the Office of Regulations and Policy (ORP) and the Office of Nutrition and Food Labeling (ONFL), CFSAN, regarding the citizen petition assigned Docket No. FDA-2006-P-0208, received on May 12, 2006 from Harold Newman, D. Sci (Hon), Paul Lachance, Ph.D., Robert P. Heaney, M.D., and Sue Shapses, Ph.D., Rutgers, The State University of New Jersey and Creighton University.

On May 15, 2020, we tried to contact Dr. Sue Shapses, via phone and email, however we did not receive a response to our inquiries.

On June 16, 2020, we sent a final email stating if we did not hear from Dr. Shapses in writing within 30 days from the date of the letter, we would close the petition. We heard from Dr. Shapses, who stated she would follow-up accordingly after she reviewed the petition and she also informed us that the other petitioners were deceased.

Since, it has been 30 days and we have not received a written letter from Dr. Shapses stating her intent, we are closing this petition.
