Re: Docket No. 2006P-0310

Dear Mr. Peiser:

I am writing to inform you that the Food and Drug Administration (FDA) has not yet resolved the issues raised in your citizen petition dated August 4, 2006. Your petition requests that the FDA include all human and veterinary drug products in the *National Drug Code Directory* (the NDC Directory).

FDA has been unable to reach a decision on your petition because it raises complex issues requiring extensive review and analysis by Agency officials. This interim response is provided in accordance with FDA regulations on citizen petitions (21 CFR 10.30(e)(2)). We will respond to your petition as soon as we have reached a decision on your request.

Sincerely,

Jane A. Axelrad
