Dear Mr. Moriarty:

Your petition requesting the Food and Drug Administration to switch Plan B and equivalent EC drugs from prescription-only to OTC status without age restrictions and that FDA exempt from prescription-dispensing requirements any new drug eligible for filing an abbreviated new drug application because of its equivalence to Plan B, was received by this office on 05/24/2006. It was assigned docket number 2006P-0223/CP 1 and it was filed on 05/26/2006. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Lyle D. Jaffe
