Re: September 23, 2020 Citizen Petition Regarding Cumulative Effect – Changing Contact from Tom Neltner to Maricel Maffini

To Whom It May Concern:

Please replace Tom Neltner with Dr. Maricel Maffini as the primary contact for communication involving the citizens petition regarding cumulative effects filed on September 23, 2020 at Docket No. FDA-2020-P-2003-0001.¹ The petition requested that FDA define key terms essential to consider the cumulative effect of a food additive, food contact substance, generally recognized as safe substance, or color additive, taking into account any chemically- or pharmacologically-related substances in the diet, when assessing safety as required by law.

You can contact Dr. Maffini at drmvma@gmail.com.

Sincerely,

Maricel Maffini
